November 4, 2021

Dear Dr. Curtright:

On behalf of the Department of Physics and Astronomy, it is my great pleasure to inform you that you have been selected as the 2021 recipient of the Department of Physics & Astronomy Distinguished Alumni Award for Lifetime Career Achievement. We are honored to recognize you as an alumnus with outstanding career achievement.

Your work in in the behavior of systems under scale transformations, quantum mechanics in phase space, high-spin fields, just to name a few, have resulted in seminal contributions to these and other fields of theoretical physics. We appreciate that you have maintained a relationship with our department. We want to express our appreciation for that and add our own recognition to the importance of your lifetime's work to that of other prestigious awards you have received.

...

Congratulations and I look forward to hearing from you!

Sincerely yours,

A handwritten signature in blue ink that reads "Paul F. Miceli".

Paul F. Miceli, PhD  
Professor and Chair  
Physics and Astronomy
